

friendlyway welcome 32/40

An Elegant Reception Clerk

With the friendlyway welcome 32/40, you can welcome your visitors in perfect style. This digital sign will charm any guest with an eye for technological elegance.

The upright 32 or 40-inch display is bright and attracts attention even over long distances. The display format makes the terminal particularly suitable for split screens. On-screen presentations can be triggered and shut down via a proximity sensor. Inside the terminal's shell, there is a powerful PC computer that ensures the flawless presentation of your content.
