Empire 22 Pro

Modular Kiosk with Smart Maintenance Access

- Clean, modern design
- Robust construction
- Practical quick-access front service door
- Highly flexible configuration options

Empire 22 Pro

At Home Anywhere. Built for Exceptional Reliability

Thanks to its modern design, the kiosk is equally suited for production environments and reception areas.

Standard Hardware Configuration:

- High-quality paint finish (front: white RAL 9003, rear housing/base plate: black)
- Service-friendly device access via a lockable front door (without a lock cylinder)
- 22” PCAP multi-touch display with high brightness and contrast (Full HD resolution)
- Protective glass in front of the display
- Micro PC (i5, 16 GB DRAM, 256 GB SSD, Windows 11 Pro)
- LAN + external Wi-Fi antenna
- Audio unit incl. speakers and an amplifier
- Preparation for webcam integration
- Proximity sensor incl. control board

Design and Construction:

- Seamlessly integrated display
- Flush exterior design with no visible components
- High-quality enclosure
- Steel housing (1.5 mm)
